

**MEN  
DON'T  
TALK**

# Men Don't Talk

written & directed by Clare Prenton

Three men who have never met before find banter, bird boxes and biscuits in a fictional men's shed, which celebrates camaraderie, companionship.....and custard creams. Men Don't Talk explores and explodes the myth that 'men don't talk' in Clare Prenton's poignant, hilarious and deeply moving, thought provoking play.

Written following cups of tea, cake and spirited conversations with real 'shedders', the play welcomes audiences into a friendly fictional shed, inspired by real men's stories.
